Thank you to all of our families for your support during the 2020-21 school year, with all of its curveballs. We found ourselves constantly adjusting and adapting to what pitch was in front of us and from all of the MCS Elementary faculty & staff, we thank you for 'staying in the box.' Everyone of you and your children hit home runs!

As I leave the Elementary Principal position to begin as Madison's new Director of Curriculum, Instruction, & Special Education on July 1, 2021, I would like to thank all of our students & families for your support from my 1st day, back in January of 2015. #mcsblue

I hold on to many outstanding memories during my time as Elementary Principal and look forward to creating many more in my new position. Below you can read my personal mission statement as I begin in this new role:

To empower self-directed learners who love to come to school each day, creating a "buzzing hive" of activity where students move seamlessly throughout their educational ecosystem.

For the 2021-22 school year we will welcome our PreK cohort (Class of 3035!) and a new Elementary Principal, for which we are seeking parent members to serve on the interview committee this summer. If you are interested in being a part of that process, please contact me @ 315-893-1878 ex 265 or blatella@madisoncentralny.org.
